

# Mathematical Sciences Thesis Application Form

## Requirements for Registering for the Senior Honors Thesis in Mathematical Sciences

- Students who earn at least a “B” in MAT 3510 and have a GPA of 3.45 or greater in all mathematics and statistics courses are eligible to register for the Senior Honors Thesis (MAT 4510). **Attach an unofficial copy of your transcript (available through appalnet) to this application** so that the thesis director can check these requirements.
- **All students registering for MAT 4510** must submit this form to Dr. Cook before registering for the course. After receiving the form and verifying the students have met the requirements to register for MAT 4510, Dr. Cook will give the students the Special Course Form needed to officially register for MAT 4510.
- All students registering for MAT 4510 who are pursuing Honors in Mathematical Sciences AND University Honors **must also complete** the University Honors Application Form which can be found on the Honors College website (website). This form is due to the Honors College no later than two weeks after the semester in which the student registers for MAT 4510.

## Requirements for Graduation with Honors in Mathematical Sciences

- Students who earn at least a “B” in MAT 4510 (Honors Thesis) and complete a total of at least nine hours of honors work in mathematics (i.e. six hours in addition to the Honors Thesis) with a GPA of 3.45 or greater in their Mathematics and Statistics coursework will graduate with Honors in Mathematical Sciences.

Student's Name: \_\_\_\_\_ Banner ID: \_\_\_\_\_

Expected graduation term: \_\_\_\_\_ **You must notify Dr. Cook immediately if your expected graduation term changes!**

Proposed Thesis Title: \_\_\_\_\_

Thesis Director's Name: \_\_\_\_\_

Description of Proposed Thesis Work:

Timeline for Proposed Thesis Work: The timeline must include a preliminary date for the thesis defense.

Student's Signature: \_\_\_\_\_

Thesis Director's signature: \_\_\_\_\_

**Students must submit this completed form to Dr. Cook along with an unofficial transcript of their Appalachian coursework (available through appalnet) before they register for MAT 4510.**
